

COACHING AT HEADSTONE

HERE ARE SOME REMINDERS WHICH WILL HELP US AT COACHING TIMES

- Courses are a set block of lessons as written on the forms. Please complete & hand in at the start of the course. **Make a note of the dates.**
- **Payment is due on the first day of the course -cash or cheque.**
- Juniors must be at the club at least 5 minutes before their session time. This allows a prompt start with no disruption.
- We will try our best to contact you prior to your lesson if session is cancelled. **No call and the lesson will go ahead as planned.**
- From 1st May a Coaching Membership fee will be applied to those who do not wish to take up a Cadet/Junior Membership of the club. This will be an annual fee of £30 and will allow these coaching members to use available courts to hit with other attendees only on a Saturday morning before or after coaching & use the other facilities of the club i.e. table tennis & table football at that time.
- Headstone is a Members Club run solely by volunteers. The subscriptions paid by its members fund the running of the club. The cost of the replacement of one court is in excess of £20,000. As you can see it is important that all those using the facilities contribute in a small way to assist with the costs of running our very precious club.

BENEFITS OF MEMBERSHIP

- Our aim with all students is to help them improve their tennis. Without doubt the best way is to play regularly. Have you considered joining one of our categories of membership? Tennis is a sport for the whole family to enjoy!! For more information on membership please speak to either Anthony or Julia. There are leaflets in the clubhouse.
